LIVE IN PURE HARMONY AT ARIA ...

A PARADISE FOR

MUSIC LOVERS

AN EXPERIENCE INSPIRED BY MUSIC

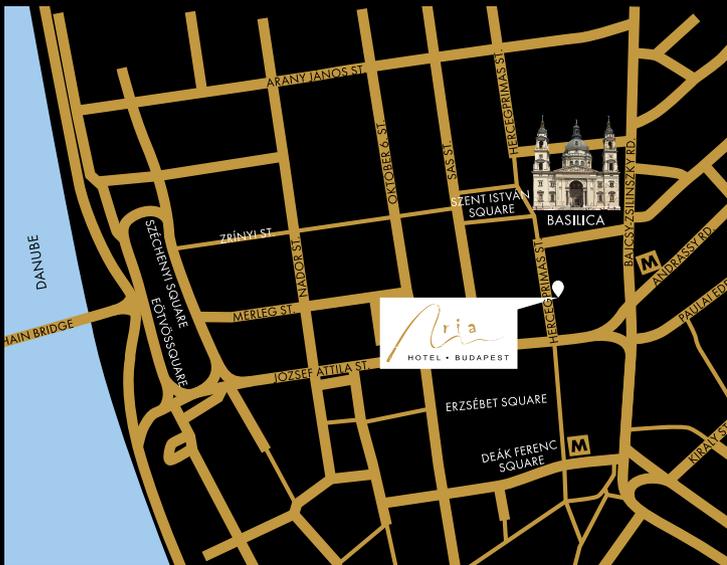

Aria Hotel Budapest is a luxury boutique hotel with an exquisite design inspired by music. To compliment the musical concept, designer Zoltan Varro's vision was to simultaneously recreate the rich, lavish atmosphere of a historic Hungarian palace while embracing visitors in the warmth and comfort of a private residence.

Each of the four wings is dedicated to one of four major music genres: Classical, Opera, Contemporary, and Jazz. Each room and suite features caricatures by internationally acclaimed artist Joseph Blecha to celebrate the world's greatest musical legends such as Maria Callas, Count Basie, Bob Dylan, James Brown, Whitney Houston, the Beatles and Hungary's own Ferenc Liszt.

IN THE HEART OF THE CITY CENTER

The Aria Hotel sits on a picturesque street next to the majestic Saint Stephen's Basilica in Budapest's city centre on the Pest side of the Danube. With the river and the Chain Bridge just a short walk away, the Aria offers the ideal location to explore Budapest on foot, by tram or by bus. The area around the hotel offers pedestrian streets with numerous cafes, restaurants and terraces. Guests of the Aria Hotel Budapest enjoy a 3 minute walk to Andrassy Avenue, the iconic cultural boulevard of Budapest, boasting high-end shopping, dining, and the Opera House. Nearby, Budapest's Parliament building is one of the most popular destinations for tourists, gracing the city with its dramatic nighttime lighting.

After a short walk across the majestic Chain Bridge, travelers can enjoy the ascending views from the vantage point of the enchanting funicular railway (a beloved civic institution which has been in continuous operation since 1870), which brings you to the city's apex and to one of Budapest's most iconic sights: the magnificent Budapest Castle, which houses the former Royal Palace and the National Gallery.

THE MUSIC GARDEN

WELCOMING. UNIQUE. SOPHISTICATED. STYLISH.

The stunning glass-enclosed courtyard is the heart of the hotel, where guests and non-residents can enjoy cocktails and refreshments while listening to musical entertainment. What makes the Music Garden courtyard such an architectural marvel is the one-of-a kind glass enclosure, bringing the beauty of the outdoors inside, allowing guests a clear view of the sky and stars above, while remaining climate-controlled for perfect comfort in any season. The first of its kind in Europe, this unique glass ceiling is exceptionally beautiful both for guests looking upward toward the hotel rooms or for guests looking down into the Music Garden from their private balconies, since there is no metal support to disrupt the view. Other unique features, such as the piano key floor tiles and the LED imaging screen, grace the Music Garden with a whimsical, yet sophisticated style.

CAFÉ LISZT

“All art springs from the same source” – declared Ferenc Liszt. At Café Liszt, the world’s most famous musicians turn up to taste the special music-inspired flavors of our chefs and bartenders. We welcome you to join us for a uniquely artistic yet casually elegant and chic breakfast or dinner with your partner, family, or friends.

SIGNATURE MACARONS

Can we feel/taste flavors while listening to the music of Mozart, Maria Callas, BB King, or Amy Winehouse? Some people are capable of a very complex level of perception. For everyone else, artisan macaron maker Chez Dodo conjures up the world of our favorite musician legends in a limited-edition dessert collection. The gourmet sweet treat is available exclusively at Café Liszt.

HUNGARIAN CASUAL CUISINE

Nearly 30 world stars – including Sting, Lenny Kravitz, Plácido Domingo, Gregory Porter, Will Smith, Rita Ora – have signed the mirror-encrusted walls of Café Liszt so far, during their visits.

Café Liszt created a menu of modern, European, accessible dishes. In addition to defining unique tastes, the menu also includes real Hungarian hits and popular meals.

Café Liszt also offers breakfast to the guests: in addition to the classic egg dishes, the menu includes eggs Benedict, eggs Royale and eggs Florentine, homemade granola with yoghurt and French pastries. A selection of exciting coffee desserts is available all day, and from midday onwards, desserts on a plate are also on the menu.

A BITE OF MUSIC

The bar, lounge and terrace, decorated with the original signature of music legends, offers a modern menu with a European gastronomic twist, from morning until night. Sting, Lenny Kravitz, Plácido Domingo, Gregory Porter, Will Smith, Rita Ora and others have all visited the restaurant and have left their signature on the mirrored walls of Café Liszt.

TEATRO ARIA

At Teatro Aria, our exquisitely elegant salon and screening room, guests will be entertained with a nightly program of video performances expertly selected by our Music Director. Enhance your stay by taking time out from sightseeing to stimulate your senses with great performances, including ballets, concerts, operas and musicals.

Teatro Aria, which accommodates up to 70 people reception style is also available in various arrangements to suit your social and business needs. DREAM THE NIGHT AWAY TO THE STRAINS OF MUSIC BY LISZT, CHOPIN, BACH OR BEETHOVEN, JUST TO NAME A FEW.

THE JAZZ WING

INSPIRED BY THE AMBIENCE OF A 1920'S JAZZ CLUB, THE JAZZ ROOMS SWING WITH COOL HOLLYWOOD GLAMOUR IN THE FORM OF SPOTLIGHTS AND POLISHED CHROME TRUNK-STYLE WRITING TABLES, MIXED WITH THE EDGY ROUGHNESS OF HARD FLOORS, EXPOSED BRICK CEILINGS AND ACCENT WALLS WHICH WERE CREATED UTILIZING THE ORIGINAL BRICK FROM THE HISTORIC 19TH CENTURY BUILDING. HIGHLIGHTS OF JAZZ ROOMS INCLUDE ART NOUVEAU FURNISHINGS AND A CUSTOM-MADE AREA RUG FEATURING AN ETCHING OF A SAXOPHONE. BOLD COLORS AND WHIMSICAL ELEMENTS THAT INCLUDE CUSTOM-MADE HEADBOARDS CREATE AN AMBIENCE THAT'S BOTH FUN AND FUNKY. SPEND A NIGHT WITH THE SUPREMES, THE FAB FOUR, THE PRINCE OF POP, THE GODFATHER OF SOUL, OR THE KING HIMSELF. "POP MUSIC OFTEN TELLS YOU EVERYTHING IS OK, WHILE ROCK MUSIC TELLS YOU THAT IT'S NOT OK, BUT YOU CAN CHANGE IT." BONO, ON THE MOVE

HIGH NOTE SKYBAR

A NOTE ABOVE THE REST

The High Note SkyBar is one of the highlights of your stay at the Aria Hotel Budapest. This is a full-service, lushly landscaped rooftop garden designed for your personal dining, cocktails, and sunbathing pleasure, all while reveling in the breathtaking views of Budapest and St. Stephen's Basilica.

The garden consists of five parts. It has two pavilions that can be fully opened in the summer; however, our guests can enjoy the beautiful view even in the winter season owing to the glass walls. A bar operates at this point, with a glass counter, which looks as if our guests could enjoy the ever flickering lights of a 1,000 tiny tea lamps.

Our guests can enjoy a dinner composed by our chef, while surrounded by the most panoramic view of Budapest. The third part of this space is an open garden, where our guests can enjoy the cool shades of romantic exquisite cabanas during the day, while in the evenings they can have private dinners with friends.

One of the special features of the house is located here, a 10-person bar table installed above a glass roof, through which our guests can enjoy the sight of the 6-storey high, circular staircase of the hotel. A really exciting and arresting sight! Another architectural curiosity takes us to the fourth and fifth parts of this space, to the two VIP terraces providing unforgettable entertainment 20 people each. A glass spiral staircase takes our guests to these terraces, which is elevated above the interior atrium of the hotel, and from which point the interior of the whole hotel can be seen through the glass roof of the Music Garden. These two terraces are ideal venues for wedding parties, receptions, private events, where our visitors are provided five-star services while enjoying an exceptional view.
